

The Australian  
Regional Women Leaders Convention

## Testimonials and Feedback

"This has been the best personal development program I have ever attended! The line-up of inspirational women has been incredible. I've laughed, I've cried and I've been inspired. I came specifically to see Gemma Sisia but have been lucky enough to see 16 other fantastic women as well."

Josephine Hartmann, Mildura English Language Centre

"I'm heading home with renewed energy, more ideas, more friends/contacts and a list of actions to start putting into place when I get home. It was a fantastic couple of days. Thanks so much!"

Julia Telford, Queensland Murray Darling Committee

"Absolutely inspirational! I'm walking away reflecting on myself and how I relate to and support others. The Convention shattered my expectations."
