## Leadership – the long haul

Quotes from Peter Drucker

- Rank does not confer privilege or give power. It imposes responsibility.
- Management is doing things right; leadership is doing the right things.

## Leadership – here it comes ready or not!

**Military officer**  
- 27 years

- Professional engineer  
- 24 years
- System safety regulation  
- past decade
- Occasionally the first female

## Vision and Values

**Navy's Vision**  
An Australian Navy renowned for excellence in service to the nation

**Navy Values**

- Honour
- Honesty
- Courage
- Integrity
- Loyalty

**Personal Vision and Values**

## Leadership needs PASSION

What is your driving force?

- story
- catchphrase
- narrative

## Fueling the Fire

- Be curious
- Imagine the future
- Know the past
- Learn from others

### Fueling the Fire

- Diversity is good – explore it
- Trust, Respect and Credit others
- Network the woman's way
- Balance Work and Life

THANK YOU
